POST TREATMENT FOR ARESTIN

DON'T TOUCH the area that has been treated.

WAIT TO BRUSH for 12 hours after treatment.

WAIT TO FLOSS or clean between your treated teeth for at least 10 days.

AVOID eating hard, crunchy, or sticky foods (i.e., carrots, taffy and gum).

ALWAYS SCHEDULE FOLLOW-UP VISIT with your dental professional because periodontal disease is a chronic infection..

KEEP YOUR SCHEDULED APPOINTMENTS to maintain and control your disease.

If you have any questions or unusual problems, please call us at any time at 610-444-8744.
